

VOLUNTEERS NEEDED

OUR FIRST DISTRIBUTION CENTRE OPENS IN DECEMBER

Will you work with us to combat hidden hunger in our towns.

We need volunteers to welcome the customers, make them feel at ease and hand over the food parcel.

Could you be that friendly face?

Is your tea making skill legendary?

Would you help us make people feel at ease with a cuppa?

Every month we meet shoppers at the Supermarket and collect their food gifts.

We couldn't do it without volunteers
